

# Universidad Carlos III de Madrid

## Madrid, Spain

Founded in 1989, the Universidad Carlos III de Madrid is located in Madrid, capital of Spain since 1562. Madrid is situated in the very center of the Iberian Peninsula and counts among its highlights as being the medieval center built at the time of the Habsburg Empire. Universidad Carlos III de Madrid is a major Spanish university with under-graduate, masters, and doctoral programs.

Carlos III University of Madrid was founded with the objective of offering an efficient, high quality public education. The philosophy that guides the University is one based on liberty, justice and tolerance.

Universidad Carlos III de Madrid is located in two locations, Getafe and Leganes. Both locations are south of the Madrid metropolitan area and are easily reached by both train and bus. Madrid, with approximately four million inhabitants, is one of the major capitals of Western Europe. Students will find ample opportunities to enjoy social, cultural and recreational activities in a city known for its rare blend of character and tradition, modernity

and informality.

Undergraduate Texas A&M University (TAMU) students, usually at the junior level, will be permitted to take courses during the regular semesters provided by Universidad Carlos III de Madrid. You must enroll for one semester of course work as a non degree candidate and register for 12 credit hours of academic work each semester at TAMU. Students should be fluent in Spanish to be able to attend classes and take full advantage of the academic and cultural experience.
