

TAMU ACCOUNTING IN AUSTRALIA

DATE: JUNE 3 – 16, 2012

PROGRAM PRICE: \$3,500

EARLY APPLICATION DUE DATE: Dec 6, 2011 5 PM

The Australian Fieldtrip is a 14-day adventure combining an enriching academic experience with the cultural wonders of Australia. Students will be introduced to international opportunities within the Big 4 public accounting firms, listen to the Australian Accounting Standards Board discuss current issues and gain insight into how IFRS is being adopted around the world and visit with executives at Oracle and other Australian based companies to get a global view of business.

Excursions to the Great Barrier Reef along with personal guided tours of Australia's main attractions will provide students with a glimpse of life and culture down under. The itinerary combines scheduled group activities with time for student's to explore their own personal interests in the area.
